Dear Faith Formation Parents and Guardians,

Welcome Back.

The time in our lives over the last few months have been anything but “normal”. I want to personally thank you for all you support during these rare times. Looking forward to continuing to work with you as the year moves on.

Faith Formation this year is taking on a new path. An exciting path with the Family. The program will assist you in your role as the primary catechist of your child. Learning lessons about God and the Church. Journeying together as a family along with the parish community. You will be setting the foundation for sharing the Faith and Love of God with your children.

This year we have developed a Family Faith Formation program. Helping you to grow spiritually with your family as your Catholic Faith grows. Your child will be using Pflaum Gospel Weeklies that coincide with the Sunday readings. The group of Catechist will check in weekly via email and sometimes an occasional zoom. The check in will be emailing resources, questions or concerns, giving updates and giving you the support, you need taking on this journey.

The move towards a new program has taken place to allow for us to keep safety measures in place. Keeping your children and our Catechist healthy as the pandemic is still with us. I am excited to see where this program leads us. I am looking forward to walking with you as we journey into a new world. I know your children will enjoy the lessons.

Once you have registered your child or children a confirmation email will be sent on the date and time to pick up materials. The pick up will be socially distanced with mask on the property of St. Pius X Church. A calendar will be included with the materials. The calendar will be very similar to the in-class instruction calendar used in previous years.
