

Faith Formation Families,

Welcome back to “Home-based Faith Formation”. Any meetings will be held virtually due to COVID-19. Your child and family’s safety is our number one priority. To our middle school families, there may be a possibility of some in-person class times, those dates are to be announced.

We do plan to help your child grow with God. Becoming disciples of Jesus.

In the links you will find registration forms, payments, and calendar.
